GAP PLUS

DON'T BE LEFT PAYING FOR AN ASSET YOU NO LONGER OWN. PROTECT IT WITH GAP PLUS.

ASG's Guaranteed Asset Protection Plus (GAP PLUS) program helps cover the remaining balance on your loan if you experience a total loss before it is paid off.

Most insurance policies only cover the actual cash value of your asset. As a result, there can be a substantial "GAP" between your loan or lease and the amount your insurance company pays to replace your vehicle.

GAP PLUS settles the difference between your primary insurance settlement and your remaining loan balance at the time of loss. GAP PLUS may also cover your primary insurance deductible.*

**Subject to the terms, conditions, limitations and exclusions set forth in your contract.*

***This is an example for illustrative purposes only. Your actual GAP PLUS benefit will vary based on your specific circumstances.*
