## MESSAGE FROM THE CEO

As we welcome the arrival of spring, we are also looking forward to the upcoming season of growth, both for our communities and for our financial institution. And we are grateful to have you along for the journey.

We had another great turnout at our annual meeting in February. Thanks to everyone who attended and to everyone who helped make it a success. It was an honor to recognize outgoing board member Terry Schroeder for his 30 years of service on the Board of Directors and welcome incoming board member Dr. Keelan Yoder. Also, thanks to Eugenia Barron for 20 years with WFCU! The board and staff remain focused on helping you achieve your goals and succeed financially.

WFCU will be awarding eight \$500 Scholarships to our members to aid in their education costs! If you or a family member will be attending college and/or technical trade school next fall and are members of WFCU, please fill out an application. A form is included in this newsletter and is also available online. Deadline to submit application is May 14, 2025.

I also encourage you to check out our competitive loan rates and dividend rates. I think you will find that WFCU is a great choice! As we look ahead, we remain committed to delivering exceptional value and services that cater to your financial needs, no matter how they evolve.

Thank you for being a part of our Windthorst FCU family. We're excited about the season ahead, as always, we're here to help you grow and thrive.

Wishing you a wonderful spring!
